

Safety Information Catalog

Chemicals

Article Name	Article Number
Safety Data Sheets (English & Spanish) (poster)	200A
Hazard Communication Standard Pictograms (English & Spanish) (poster)	200B
Prevent Chemical Spills and Leaks (English & Spanish)(poster)	200C
Prevent Chemical Burns (English & Spanish)(poster)	200D
NFPA Diamond (English & Spanish)(poster)	200E
Poisonous Materials (English & Spanish)	200F
Corrosive Materials (English & Spanish)	200G
Miscellaneous Hazardous Materials (English & Spanish)	200H
Properties of Hazardous Materials (English & Spanish)	200I
Watch Out for Incompatible Chemicals (English & Spanish)	200J
Reactivity of Hazardous Materials (English & Spanish)	200K
Lead Hazards (English & Spanish)	200L
Emergencies Involving Solvents (English & Spanish)	200M
Emergencies Involving Corrosives (English & Spanish)	200N
Responding to a Chemical Spill (English & Spanish)	200P
Emergencies Involving Reactives (English & Spanish)	200Q
Protecting Against Chemical Hazards (English & Spanish)	200R
Hazard Communication Safety Data Sheets (English & Spanish)	200S
Manufacturer's Warning Labels (English & Spanish)	200T
Hazard Communication Standard Label (English & Spanish)	200U
DOT Labels and Placards (English & Spanish)	200V
Common Bleach--Cleaner or Killer?	200W
Hydraulic Leak May Cause Finger Amputation	200X
Gathering the Facts about Chemicals: Safety Data Sheets	200Y
Gathering the Facts about Chemicals: Chemical Warning Labels	200Z
Storing Hazardous Chemicals (English & Spanish)	201A
Protecting Workers from Lead Hazards	201B
Check It Out Every Time	201C
Protecting Workers from Asbestos Hazards	201D
Skin Hazards (English & Spanish)	201E
Skin Burns Can Hurt	201F
Anhydrous Ammonia-First Aid/PPE	201G
Anhydrous Ammonia-Nurse Tank Safety	201H
Cement Safety (2 pages)	201I
Cement Safety - Spanish (2 pages)	201IS
