

# Safety Information Catalog

## Fire & Heat

Article Name	Article Number
Cleaning Drums	1500A
Preventing Explosions: Worksite Safety Guidelines (English & Spanish)	1500B
Hazardous Chemical Categories: Explosives & Blasting Agents (English & Spanish)	1500C
Choosing the Right Fire Extinguisher (English & Spanish)	1500D
The Fire Triangle (English & Spanish)	1500E
Understanding the Fire Triangle	1500F
Daily Fire Prevention Equipment Maintenance Guidelines	1500G
Fire Suppression Equipment	1500H
Developing an Effective Fire Evacuation Plan (2 pages)	1500I
If You Work Around Heat or Flame Wear Fire Safe Clothing	1500J
The Three Fs of Welding	1500K
Compressed Gas (English & Spanish)	1500L
Welding Flash Burns	1500M
Being Prepared for Fire Emergencies in the Work Place (English & Spanish)	1500N
A Guide to Worksite Fire Safety (English & Spanish)	1500P
The Dangers of Flammable & Combustible Liquids (English & Spanish)	1500Q
Preventing Fires on a Job Site	1500R
The Invisible Hazards of Flammable Liquids	1500S
Gas Can Safety	1500T
Fire Safety Checklist	1500U
How to Use a Fire Extinguishers	1500V
Store Flammables Properly (English & Spanish)(poster)	1500W
Know Your Hazardous Chemicals (English & Spanish)	1500X
Keep Your Eye Out for Workplace Fire Hazards	1500Y
Clean Up and Prevent Fires	1500Z
Throwing Caution to the Wind	1501A
Shortcuts Are Not Smart	1501B
Errors and More Errors	1501C
Bad Habit...Bad, Bad Habitt	1501D
Wrong Solution to the Problem	1501E
Fire Safety: Flammable Liquids (English & Spanish)	1501F
Welding Hazards (English & Spanish)	1501G
Radioactive Materials (English & Spanish)	1501H
Eye Protection Against Radiant Energy During Welding & Cutting Operations (2 pages)	1501I
